Assignment 6. Peer Review of Proposals

Due date: Mar 20 11:59pm

First of all, thanks to everyone for submitting your project proposals.

At a first glance, they all look awesome to me!!

Now, student can find the peer review assignments in their Canvas website

now, and everyone is randomly assigned 3 proposals.

For assignment6, each student needs to write a review for each of three

proposals.

In each of three reviews, the content MUST include following:

1. at least one strength of the proposal   (1.5 pt)

2. at least one weakness of the proposal (1.5 pt)

3. provide at least one constructive suggestion (2pt)

Besides of that, each student needs to write a summary to include following two paragraphs:

1. which of the three proposal you like the best and why? (3pt)

2. what have you learnt from this peer-review process? (2pt)

Submission

The student needs to submit **four pdf files:**

-- three review files: one pdf file for each of three reviews

-- and one summary file.

For the first three review files, please submit these directly in

Canvas => Assignments => Proposal =>Assigned Peer Reviews (You can find it at the right side of the web page)

by *uploading a file* as comment to the ***Whole Group*** of the proposal in review. Note that your review will be **anonymous** to the proposal authors (if you don't disclose your personal information in the review text), and only the instructor team will be able to see all your review submissions.
